

# DECAP'SOLS PLUS GUARD®

**GROUND SURFACE RENOVATOR: REMOVES SCALE, CALCIUM DEPOSITS, PLASTER AND CEMENT LAITANCE AND RUST STAINS.**

## PRODUCT DESCRIPTION

**DECAP'SOLS PLUS GUARD** completely removes scale, calcium deposits, plaster and cement laitance and rust stains.

**DECAP'SOLS PLUS GUARD** may be used on a wide variety of surfaces such as: tiling, terracotta, natural stone and thermoplastic finishes

**DECAP'SOLS PLUS GUARD** allows you to restore the surface treated with **Decap'Sols Guard** to a neutral pH 7.

## CHEMICAL NATURE

- Contains phosphoric and sulfamic acid

## ADVANTAGES AND CHARACTERISTICS

- Non-flammable
- Ready to use
- Easy to use
- Does not alter the treated surface

## PACKAGING

5 and 25 litre containers

## TECHNICAL DATA

Physical State at 20 °C	: Liquid
Appearance	: Pale yellow
Odour	: Slightly flowered
pH	: 0.7 ± 0.5
Density	: 1.03 Kg/L
Temperature of decomposition	: < -5°C et > 50°C
Solubility in water [vol/vol]	: Fully soluble
Flash Point [°C]	: Not applicable

## APPLICATION

This product is specially designed to completely remove scale, calcium deposits, plaster and cement laitance and rust stains.

- Preliminary tests on a small area are strongly advised
- Shake the container well before use
- Use neat: do not dilute or mix with other products
- First dampen the surface to be treated, then spray using a low pressure sprayer
- Allow a few minutes for the product to act, then scrub with a yard brush
- Rinse the surface with a cold water high pressure power washer, or use hot water for extra effectiveness
- Restores surfaces back to neutral pH after the first cleaning with **Décap'Sols Guard**.

## COVERAGE

The figures below are approximate and should be used only as a general guideline:

**5 - 8 m<sup>2</sup> / litre**

## CLEANING EQUIPMENT

- Immediately after you have finished clean the tools and equipment used with water

## STORAGE

- Keep in a cool, dry place
- Keep away from extreme cold, do not store in conditions below 5°C

## RECOMMENDATIONS

- **DECAP'SOLS PLUS GUARD** is an acid-based product, prolonged contact on skin may cause burns. Always wear protective clothing, gloves and goggles
- Do not mix with other substances (especially not bleach, as this will cause a release of toxic chlorine gas)
- To obtain the best look and results with cleaning, **DECAP'SOLS PLUS GUARD** should be shaken before use and must only be used when the temperature of the surfaces to be treated is greater than 5°C
- Do not apply during rainy or very hot weather

## HEALTH AND SAFETY

- Respiratory Protection: Under normal conditions of use where adequate ventilation is available, no special respiratory protection equipment is needed.
- Hand Protection: Wear gloves
- Skin Protection: Wear protective clothing over exposed areas of skin
- Eye Protection: Wear safety goggles
- If swallowed: do not induce vomiting. Contact a doctor or a specialist

**KEEP OUT OF THE REACH OF CHILDREN**
