BEE HIVE SALT/GRIT BIN

Keep salt dry and secure in the Bee Hive Bin

The Bee Hive bins are fully weatherproof with a reinforced lid and base which makes them ideal for roadside storage of salt or grit. 75% stackable with full 290° opening means they are fully stackable which is excellent for storage. Also available in a wide range of colours with customised text for a variety of uses.

Not just for storage of salt, these bins can be used to store just about anything.

Height (measured at the back)	704mm
Depth (measured back to front)	600mm
Width	1050mm
Weight	14Kg

Key Benefits	
Fully weatherproof - reinforced lid fully seals the bin	Full 290° opening
