

PRODUCT	MAPECOAT ACT 196
DESCRIPTION	Semi-gloss enamel paint for interior walls, suitable for use in healthcare facilities. Highly washable and resistant to bacterial attack.
AREAS OF USE	Wall and ceilings in the health sector, schools and recreational facilities..
CARE AND MAINTENANCE	
ORDINARY MAINTENANCE	<p>Regularly dust with a clean cloth or vacuum the wall regularly with the dusting brush accessory.</p> <p>Wash gently with a damp cloth or a sponge then dry the wall.</p> <p>To remove heavy stains use a suitable liquid cleanser and rub over the stain with a sponge. Rinse and clean with water and a cloth.</p> <p>Work in sections: wash and dry one section then start with another one.</p>
EXTRAORDINARY MAINTENANCE	<p>MAPECOAT ACT 196 may be cleaned with active-chlorine products, alkaline degreasing products and acid-based de-scalers according to UNI 11021 norm and tests certificates obtained (EN 2812-1)</p> <p>MAPECOAT ACT 196 is also resistant to disinfection agents (EN 2812-1).</p> <p>Always respect the cleaning and disinfection procedures in force established by the hospital regulations.</p>
DO'S	<p>Always dust the wall before washing</p> <p>Lay absorbent material on the floor along the baseboards to absorb excess water dripping off the walls while washing.</p> <p>Dust and wash from top to bottom.</p> <p>Be sure to wring out your sponges before using them on the wall.</p> <p>Use two buckets: one for the cleaning solution and one for the rinsing water.</p>
DON'TS	<p>Do not use abrasives detergents and tools</p> <p>Do not use high pressure washing machines.</p>
