Luminous Paint

Coo-Var Luminous Paint is a translucent pale green coating that glows in the dark. Ideal for use as a 'back up' to emergency lighting. Helps identify escape routes in an emergency when power may fail. Coo-Var Luminous Paint requires no power to function, it simply stores light energy and releases it when lights go out. Ideal for use on doorways, walls, pillars and other hazardous objects. Also useful for theatrical effects.

- Water Based
- Fast Drying
- Glows after exposure to light

Technical Information

TIN SIZE:	500ml, 2.5ltr,
SUITABLE SURFACES:	Wood, Metal, Plaster Glass Fibre
COVERAGE:	Foundation Base 13sqm. per litre. Luminous Paint 9sqm. per litre. Clear Protective 14sqm. per litre
DRYING TIME:	Touch Dry: 30mins/Hard Dry: 2 hours
