

tesa® Professional 4440 Precision Mask® Outdoor Painter's tape for professional paint jobs outdoors

tesa® 4440 Precision Mask® Outdoor consists of an extra-thin and strong washi paper backing coated with an acrylic adhesive.

The combination of the highly equipped backing material and the outstanding special adhesive formulation allows easy removability up to 26 weeks after application outdoors. This enables multiple working processes in only one covering process.

Main Application

- Professional paint jobs outdoors (up to 26 weeks)
- Light plasterwork tasks
- Ideal for sharp paint edges
- Also suitable for rough surfaces

Additional Information

The application of an adhesive tape on weathered surfaces may lead to residues during the de-masking. Thus before using an adhesive tape on a weathered surface we recommend to make a trial application for up to 24 hours
