

Description

Centrecoat MMA Tool Cleaner is an equipment cleaner suitable for the removal of uncured Methyl Methacrylate resins. Centrecoat MMA Tool Cleaner has a low evaporation rate, mild odour and low toxicity, making it much more user friendly than other commonly used solvents.

Centrecoat MMA Tool Cleaner is also largely biodegradable and photochemically non-reactive, and therefore more acceptable from an environmental point of view.

Suitable for equipment cleaning, uncured resin removal and for paint / graffiti removal.

Features

- Low Hazard
- Low evaporation rate
- Excellent solvency powers
- 80% Biodegradable

Colour

Clear, colourless liquid

Technical Data

- Odour: Mild, sweet
- Flash Point: 31°C
- Vapour Pressure: 10mm Hg at 20°C
- Specific Gravity: 0.921 at 20°C
- Solubility in Water: Partly soluble

Storage

Store in dry conditions, out of direct sunlight, at temperatures between 10°C and 25°C.

Shelf Life

Centrecoat MMA Tool Cleaner has a minimum shelf life of 12 months when stored in original, unopened containers in accordance with manufacturer's instructions.

Packaging

Available in 5 Litres
