Pro-Netic

WATER BASED MAGNETIC CHALKBOARD PAINT

Pro-Netic water based magnetic chalkboard paint is a dual purpose coating that can produce a surface to which magnets will attach and is also suitable for use as a chalkboard. Pro-Netic provides a matt black finish which can create a magnetic notice board on suitably prepared wall areas, wood, MDF or plasterboard. For use in the home, schools, offices, restaurants and hotels.

Can be overcoated to achieve other colours.

Water Based - Fast Drying - Low Odour
