

E-SERIES MOBILE VACUUM UNIT LPE45

E-SERIES MOBILE VACUUM UNIT LPE45

Deliver a cleaner working environment

Dust extraction on demand - electric or pneumatic

45 litre dust collection capacity

Compact design

Self cleaning

Secure positioning

Product Sheet

E-SERIES MOBILE VACUUM UNIT LPE45

Features and Benefits

Advanced composite materials	>>	Optimum operator comfort
Vacuum dust extraction	>>	Cleaner working environment
Self-cleaning dual filtration	>>	Prevents filter clogging
Manual/Automatic start up	>>	Multifunction intelligent control, pneumatic & electric tool operation
Compact design	>>	Portable throughout the bodyshops
E-series technology	>>	Portable throughout the workplace
Automatic double filter cleaning	>>	Less maintenance, improved performance and workplace environment
High performance motor	>>	Powerfull suction capacity
Low noise	>>	improved operator comfort
Fully compatible with INDASA's Abrasives System	>>	Maximised performance

Substrates

Fillers

Primers

Top Coats

Clear Coats

Fibre Glass

Gel Coat

Wood Coatings

Applications

Dust extraction

E-SERIES MOBILE VACUUM UNIT LPE45

Suited for

Automotive Refinishing

Decorative

Technical Specifications

Weight	13,5 kg
Working Pressure	6 bar
Air Inlet Thread	3/8" G female
Noise Level EN 60704-3	67 dBA
Voltage	220 V
Mains frequency	50 / 60 Hz
Power	1200 W
Power Output	2400 W
Filter class EN 60335-2-69	L
Class of Protection	IP X 4
Filter Surface Area	1 m ²
Container Volume	45 l
Dust bag capacity	5 kg
Hose Connector	29 mm
Pneumatic Connection	2
Dimensions HxWxD	63,5x45x45 cm
Package Qty.	1
