

FROSTING VARNISH

- *Water Based
- *Low Odour
- *Non Flammable
- *Removable

Description: A low toxicity, high quality acrylic based varnish

Uses: To use on glass or clear plastic to give the effect of etched or obscure glass. Can be tinted to look like old stained glass windows.

Preparation: Glass or plastic must be sound, clean, dry and at room temperature (minimum 65 degrees F).

Application: By brush, roller or sponge. Apply the varnish evenly using a stencil or masking tape. Carefully remove stencil or tape immediately after application. Supervise children's use. Can be removed from glass with a scraper. When removing from plastic take care not to scratch surface.

Coverage: 6- 8 sq. metres/litre.

Drying: 1 hour @ 18° Centigrade and 65% humidity.

Flash Point: Not applicable

Clean up: Water

Pack sizes: 1 litre, 2.5 litre and 5 litre

Storage: Protect from frost. Keep out of reach of children.

Colour Range: clear frosted.
