STONE & BRICK SEALER

*Water Based

*Low Odour

*Non Flammable

Description: A water based colourless sealer for brick and masonry surfaces.

Uses: For use on interior brick or masonry surfaces to seal and weather proof.

Preparation: Surfaces must be clean, dry, and free from wax, grease and oil. Powdery or flaking residues should be removed with a stiff bristle or wire brush or scraper.

Application: Apply by brush. A second coat may be applied to exceptionally porous surfaces. DO NOT THIN. Ensure adequate ventilation during application and drying.

Coverage: Approximately 6 sq. metres/litre. depending on porosity of substrate.

Drying: 2 hours @ 18° Centigrade and 65% humidity.

Recoatable: After 4 hours.

Flash Point: Not applicable.

Clean up: Warm soapy water

Pack sizes: 5 litre, 25 litres

Storage: Keep out of reach of children. Protect from frost.

Colour Range: Transparent.
