

Description

The Traditional Paint Company Interior Limewash is made from pure filtered slaked lime modified with sodium chloride, PVA and linseed oil.

Ideal for application to previously limed surfaces, lime plaster, wattle and daub and other breathable substrates. Gives a decorative and breathable finish. Will also adhere to previously emulsioned areas, cement, brick work and other non breathable surfaces to achieve a lime finish across varying substrates.

Colour & Finish

Available in stock colours & broad range of colours via tinting. Matt finish.

Application

Apply via brush (2 knot brush or good masonry brush).
Recommended 3 coat system. (Please read Application Guidelines use before use)
