

# TECHNICAL DATA SHEET

## Sports-Cote GMC Silver

Economical Grass Line Marking Paint

### Description

---

**Sports-Cote GMC Silver** is economical moderate concentrate white water-based paint designed for application to natural grass and shale sports surfaces, formulated using acrylic resin technology for long-lasting weather-resistant lines.

### Advantages

---

- Easily dispersed when added to water
- Applied using wheel to wheel machines
- Drying time of approximately 60 minutes at 20 °C

### Uses

---

**Sports-Cote GMC Silver** is used to line mark activity areas on natural grass and shale sports surfaces and can be used with any line marking machine.

**Sports-Cote GMC Silver** acrylic resin content ensures optimum adhesion, durability and colour stability. Its free-flowing formulation makes for a quick and easy dilution in water, with the paint being applied by any suitable line marking machine.

### Technical Performance

---

Touch dry time: 30 minutes at 20 °C.

### Shelf Life and Storage

---

12 months in unopened containers stored under good conditions.  
Store between 5 °C and 30 °C. Protect from frost.

### Packaging

---

12.5 litre pails.

## Further Information

---

To ensure you are specifying or applying a fit for purpose coating please contact our Technical Services Department.

## Application

---

### Application Conditions

**Sports-Cote GMC Silver** can be applied by any suitable spray or transfer-wheel machine (contact our Technical Services Department for more information).

Shake well before use.

Mix in a clean container and stir well.

Line marking machines can be cleaned with **Sports-Cote GMC Powerflush** (see the Sports-Cote GMC Powerflush Technical Data Sheet).

**Sports-Cote GMC Silver** should only be applied in fine, dry weather and when these conditions are likely to prevail for 1-2 hours following application.

## Special Recommendations

---

- Do not apply with risk of rain
- Do not apply below 5 °C or above 30 °C
- Remove loose grass clippings as they can be picked up by the marker wheel and clog up the machine

## Health and Safety

---

**Sports-Cote GMC Silver** is a water-based coating, making it relatively safe to use and minimising the risk of environmental impact from its usage. For more detailed information, please refer to Sports-Cote GMC Silver current Material Safety Data Sheet.
