

## TECHNICAL DATA SHEET

# Sports-Cote GMC Spraymarker Standard

Acrylic Water Based Coating

### Description

---

**Sports-Cote GMC Spraymarker Standard** concentrated water-based paint designed for application to natural grass and shale sports surfaces. **Sports-Cote GMC Spraymarker Standard** is formulated using acrylic resin technology which provides optimum adhesion and a highly durable line irrespective of climatic conditions. **Sports-Cote GMC Spraymarker Standard's** bright pigmentation also ensures a highly visible line throughout its service life.

### Advantages

---

- Free-flowing for easy dilution in water
- Brilliant pigmentation for high visibility
- High acrylic resin content to give better adhesion and a long lasting line
- Weather resistant when dry
- May be used in any suitable spray marking machine
- Can be used as a base to create different coloured lines

### Uses

---

**Sports-Cote GMC Spraymarker Standard** is used to line mark activity areas on natural grass and shale sports surfaces.

Its free-flowing formulation makes for a quick and easy dilution in water, with the paint being applied by any suitable spray marking machine.

**Sports-Cote GMC Spraymarker Standard** can also be used as a base to mark different coloured lines using Sports Coatings Colourants. **Sports-Cote GMC Spraymarker Standard** will define the play area, enhance the appearance of the court and impart durability and slip resistance to comply with SAPCA's Code Of Practice for the Painting of Porous Macadam Tennis and Netball Courts ([www.sapca.org.uk](http://www.sapca.org.uk)).

## Technical Performance

---

Touch dry time: 2-4 hours at 20 °C.

## Shelf Life and Storage

---

12 months in unopened containers stored under good conditions.  
Store between 5 °C and 30 °C. Protect from frost.

## Packaging

---

12.5 litre pails.

## Further Information

---

To ensure you are specifying or applying a fit for purpose coating please contact our Technical Services Department.

## Health and Safety

---

**Sports-Cote GMC Spraymarker Standard** is a water-based coating, making it relatively safe to use and minimising the risk of environmental impact from its usage. For more detailed information, please refer to **Sports-Cote GMC Spraymarker Standard**'s current Material Safety Data Sheet.
