

TECHNICAL DATA SHEET

Sports-Line AG

Premium Artificial Grass and Polymeric
Surface Line-Marking Paint

Description

Sports-Line AG is a high performance two pack polyurethane line-marking paint for artificial grass and polymeric sports surfaces.

Sports-Line AG is specially formulated for application to polymeric surfaces and all types of artificial grass including those with yarn systems based on nylon, polypropylene, polyethylene or copolymers whatever the length of pile.

Standard Colours

White, Yellow, Red, Blue.

Advantages

- Quick cure formula reduces facility downtime
- Excellent adhesion and flexibility for longer useful life
- High durability means higher visibility for extended periods of time
- UV resistant - insignificant fading due to sunlight
- Bright, intense colours for attractive pitches with well-defined play lines

Uses

Sports-Line AG is used to line-mark all manner of artificial grass sports surfaces. The paint has excellent adhesion, flexibility and durability making it the ideal choice for the exacting demands of multi and single use pitches and sports surfaces.

Life Expectancy

If the pitch is used in accordance with its intended purpose **Sports-Line AG** will give acceptable performance for a minimum of 12 months. However, certain factors will influence the performance of the paint and may well result in premature wear. Detailed guidance on the factors can be found in SAPCA's Code of Practice for the Maintenance of Synthetic Sports Surfaces (www.sapca.org.uk).

Shelf Life and Storage

12 months in unopened containers stored under good conditions.
Store between 5 °C and 30 °C. Protect from frost.

Packaging

4 litre pails (4.42kg).

Further Information

To ensure you are specifying or applying a fit for purpose coating please contact our Technical Services Department.

Application

Apply **Sports-Line AG** in temperatures above 10 °C, ensuring the grass carpet has already been brushed and is completely dry. Allow several hours of dry conditions after painting to allow it to cure before using. Two coats are required for uniform coverage.

Sports-Line AG Can be used through the majority of spray line markers on the market.

Aftercare and Maintenance

Detailed guidance on the maintenance of painted courts may be found in SAPCA's Code of Practice for the Maintenance of Synthetic Sports Surfaces (www.sapca.org.uk).

Special Recommendations

- Do not apply with risk of rain
- Do not apply below 10 °C or above 30 °C
- Ensure that only correct footwear is used

Health and Safety

Sports-Line AG is a water-based coating, making it relatively safe to use and minimising the risk of environmental impact from its usage. For more detailed information please refer to Sports-Line AG's current Material Safety Data Sheet.
