

MOTIVO COLORATO

WATER-BORNE 1C COLOURED COATING

THE PRICE-PERFORMANCE WINNER

With MOTIVO COLORATO, almost any colour can be quickly and cost-effectively applied to surfaces. Good recoatability means it can also be used in combination with MOTIVO KLARLACK 2080 for top-class results. MOTIVO COLORATO is used mainly for interior furniture and doors, stairs and general joinery work.

DIVERSE PRODUCT LINE

The water-borne MOTIVO line for interiors is particularly quick drying. Thanks to optimum filling properties, the coloured coating is easily applied to open- and closed-pore woods and primed MDF boards. The perfectly matched product systems make it even more certain that the user achieves a high-quality application.

VERSIONS

MOTIVO COLORATO 2070 is a coloured, quick-drying top coat in all RAL and NCS S colours. MOTIVO COLORATO 2077 STRUKTUR is also a coloured coating in all RAL and NCS S colours, but in addition has a fine surface texture.

MAIN FEATURES

Good resistance to the effects of light

Easy to apply with very good levelling properties

Quick drying with good filling properties

Good mechanical resistance

MINERGIE-ECO® compatible
