

# PRODUCT DATA SHEET

## Centrecoat Patio Decking Hard Surface Restorer

**Not only cleans and removes naturally occurring dirt and contamination, like algae, mould and blackspot, but also 'brightens' the substrates. Concentrated to ensure optimum performance.**

### Product Features

Removes naturally occurring contaminants from porous substrates.

Does not contain solvents, acids or caustic

Works on porous and non-porous substrates.

Will 'brighten' paving and monuments.

Ideal Marble headstone cleaner & restorer.

Removes atmospheric contamination from roofs.

### Suitable Substrates

Centrecoat Patio Decking Hard Surface Restorer will clean wide variety of hard surfaces including - walls, floors, paths, roofs, decking, paving, boats and monuments.

It can be used safely indoors and out.

Can be used as a stand-alone cleaner but is not a suitable preparation tool prior to painting or without thorough rinsing and a trial application \*

As with all cleaners this product will struggle with the unique problems caused by heavily contaminated 'York stone'. If you have a solution to this particular problem please contact the Technical Department at Promain.

### Application

Apply the product liberally by brush or low pressure hand spray to saturate the contamination. Can be applied to a dry or damp surface. Allow the product to work for 30 minutes (light soiling) or 60-90 minutes (heavy soiling) then whilst still wet, thoroughly rinse off with clean water using a pressure washer to achieve the best results.

Do not allow to dry out prior to rinsing off. Stubborn or deep staining may require a second application.

To brighten paths and walls leave for up to 8 hours before removing.

**Dilution/coverage** - For heavily soiled areas, use neat at 2 to 3 m<sup>2</sup> per Lt.

For lighter soiling, dilute 1 part **Centrecoat Patio Decking Hard Surface Restorer** with up to 3 parts clean water and apply at 3 to 5 m<sup>2</sup> per Lt.

### Trial application

\*As with all our products we strongly recommend you carry out a small discrete sample application to test the suitability of our **Centrecoat Patio Decking Hard Surface Restorer** for your particular use.

Please refer to the relevant Product Health and Safety Data Sheet prior to any use.

**January 2014**
