COO-VAR[®]

PAINTS, PRIMERS AND SPECIALISED COATINGS

Prime-All

A primer suitable for numerous interior and exterior surfaces including tiles, metals and most plastics (test first).

An all round white primer made with low odour solvents designed for versatility and performance.

Contains alkali resisting and stain blocking properties and gives excellent coverage to a multitude of stains, preventing them bleeding through to the finishing coat.

- Excellent performance as an exterior coating no need for a top coat

- Low odour and fast drying
