

DECAP'SOLS GUARD®

CLEANER FOR OUTSIDE GROUND SURFACES BADLY SOILED BY MULTIPLE TYPES OF DIRT

PRODUCT DESCRIPTION

DECAP'SOLS GUARD will tackle all types of soiling (pollution, greasy stains, dog excreta...) as well as chewing gum and even the marks left after removal of chewing gum.

DECAP'SOLS GUARD is specially designed for the washing and scrubbing clean of outdoor ground surfaces: pedestrian precincts, pavements and all types of surfaces constructed with stone, concrete and tiling which have been heavily soiled by all types of dirt.

CHEMICAL NATURE

- Contains Disodium Trioxosilicate

ADVANTAGES AND CHARACTERISTICS

- Non-flammable
- Ready to use or may be diluted
- Easy to use
- Does not alter the colour and nature of the treated surface

PACKAGING

5 and 25 litre containers

TECHNICAL DATA

Physical State at 20 °C	: Liquid
Appearance	: Pink
Odour	: Ammoniacal pine
pH	: 13 ± 0.5
Density	: 1.06 Kg/L
Solubility in water [vol/vol]	: Fully soluble
Flash Point [°C]	: Not applicable

APPLICATION

Specially designed product to clean outdoor ground surfaces badly soiled by atmospheric pollution and all other types of dirt.

- A preliminary test on a small area is strongly advised
- Shake the container well before use
- Depending on the level of soiling, use the product neat or diluted in a ratio of up to 1:5 with water
- Generously spray the surface to be treated using a low pressure spray unit
- Depending on the level of soiling, allow the product to act for between a few minutes and several hours
- Brushing with a standard yard brush may improve the effectiveness of the product
- Rinse the surface treated using either a cold water high pressure power washer, or for extra effectiveness, use hot water
- Use **Décap'Sols Plus Guard** to restore a neutral pH to the treated surface, then rinse once again.

COVERAGE

The figures below are approximate and should be used only as a general guideline:

5 - 25 m² / litre

CLEANING EQUIPMENT

- Immediately after you have finished clean the tools and equipment used with water

STORAGE

- Keep in a cool, dry place
- Keep away from extreme cold, do not store in conditions below 5°C

RECOMMENDATIONS

- **DECAP'SOLS GUARD** is an alkaline-based product and prolonged contact with skin may cause burns. Always wear protective clothing, gloves and goggles
- Do not leave too long on asphalt or similar surfaces, as this product may damage the surface
- To obtain the best finish and results following application, **DECAP'SOLS GUARD** should be shaken before use and must only be used when the temperature of the surfaces to treat is greater than 5°C
- Do not apply during rainy or very hot weather

HEALTH AND SAFETY

- Respiratory Protection: Under normal conditions of use where adequate ventilation is available, no special respiratory protection equipment is needed.
- Hand Protection: Wear gloves
- Skin Protection: Wear protective clothing over exposed areas of skin
- Eye Protection: Wear carry safety goggles
- If swallowed: do not induce vomiting. Contact a doctor or a specialist

KEEP OUT OF THE REACH OF CHILDREN
